

Information For Parents

Staff:child ratios

For children aged three and over we have a staff:child ratio of 1:6

For children aged two we have a staff:child ratio of 1:4

The minimum number of staff each session is normally three, rising to four when numbers of children increase

Forest school sessions may have extra staff or volunteers, if needed to ensure children's safety

Children have free flow access between the indoor and outdoor environment, staff are deployed appropriately to the number of children in each environment. Children are not left indoors or outdoors without adult supervision.

At Forest School children are carefully shadowed by staff when exploring independently and are taught to stay within hearing
